“Improving Health Care Transitions from Pediatric to Adult Care: From Health to Palliation”
Tuesday, June 16, 2015
7:30am-8:00am – Breakfast | Room 136 (note room change)
8:00am-9:00am – Lecture | Auditorium
UCSF Fresno Center for Medical Education and Research, 155 N. Fresno Street, Fresno, CA 93701

For the physicians and staff located in VACCHCS, the Grand Rounds lecture can be viewed via live stream in room LC2-34.

1.0 AMA PRA Category 1 Credit(s)™

David (Wee K) Lee, MD, FCCP, specializes in Pulmonary, Critical Care and Sleep Medicine with a special interest in Cystic Fibrosis. He is board certified in Internal Medicine, Pulmonary Disease, Critical Care Medicine and Sleep Medicine.

Dr. Lee completed his fellowship training in Pulmonary and Critical Care Medicine at Rhode Island Hospital/Brown University where he also served as Associate Director of the Adult Cystic Fibrosis program. After a decade on the East Coast, Dr. Lee joins the faculty of UCSF at UCSF Fresno as Director of the Adult Cystic Fibrosis program.

Dr. Lee is a member of the American Society of Critical Care Medicine, American College of Chest Physicians and the American Thoracic Society.

Learning Objectives
Upon completion of this activity, participants will:
1. Recognize the need and barriers for improving the transition from pediatric to adult care and use that knowledge to achieve better outcomes.
2. Learn, better understand, and incorporate into patient care the current quality improvement strategies in this field.
