

VIRTUAL CME PROGRAM

2021 Wilderness Medicine Conference

Includes Virtual Simulation Activities

Friday, May 21, 2021
8 a.m. to 5 p.m. (PDT)
Via Zoom Webinar

Registration Fees

Early Bird Registration Until 4/9: \$99
General Registration After 4/9: \$120
Medical School Student
Registration: \$50

In the wilderness, definitive care is often hours to days away. Care providers in this setting must be prepared to stabilize and care for their patients with limited medical resources. This day-long program will increase specialized knowledge and skill sets to aid patients effectively in remote and wilderness settings.

Course Directors:

Susanne Spano, MD, FACEP, FAWM
Associate Professor of Clinical Emergency Medicine, UCSF
Program Director, Wilderness Medicine Fellowship, UCSF Fresno

Arielle Filiberti, MD
Clinical Instructor of Emergency Medicine, UCSF
Wilderness Medicine Fellow, UCSF Fresno

UCSF Fresno

CME Hours: 8

TOPICS:

North American Snakebite Management

Nicklaus Brandehoff, MD, UCSF, University of Colorado

Skills to Save a Life

Andrea Long, MD, UCSF

Large Predator Attacks in the Wilderness

Janak Acharya, MD, UCSF

Knot Workshops

Gayle Kouklis, MD, UCSF, Roger Mortimer, MD, UCSF and Susanne Spano, MD, UCSF

High Altitude Illness

Arielle Filiberti, MD, UCSF

Surviving on a Full Stomach: Foraging Fundamentals for First Timers

William Chiang, MD, UCSF, Swedish Medical Center

Who Should I Help? Triage During an MCI

James McCue, MD, UCSF

To Pump or Not to Pump: CPR in Austere Settings

Roger Mortimer, MD, UCSF

Lightning: Physics and Medical Aspects

Harold Lowder, MD, UCSF

Interactive Backcountry Mass Casualty Incident

Arielle Filiberti, MD, UCSF

Hands-on Skills Session

OBJECTIVES

1. Learners will be able to apply an understanding of search and rescue, evacuation techniques and teamwork in the wilderness in order to diminish the stress and errors related to not understanding options for rescue and recovery in remote environments
2. Learn to provide skills essential to providing care in remote settings including improvisational skills in order to reduce wilderness morbidity and mortality

ACCREDITATION

Community Medical Centers is accredited by the California Medical Association (CMA) to provide continuing medical education for physicians. Community Medical Centers designates this live activity for a maximum of **8 AMA PRA Category 1 Credit(s)**[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

TARGET AUDIENCE

This program is intended for health care providers (MD, DO, RN, PA, NP, EMT), park rangers, first responders, search & rescue, and members of the public who provide medical aid in urban or wilderness settings.

CONFERENCE ACCESS

The 2021 Wilderness Medicine Symposium will be held virtually, via Zoom webinar. You will receive a link to access the online conference prior to the program. Credit will be provided to conference participants who attend the conference in full.

DISCLOSURES

Program Director Susanne Spano and presenters Nick Brandehoff, Andrea Long, Janak Acharya, Gayle Kouklis, Roger Mortimer, Arielle Filiberti, William Chiang, James McCue and Harold Lowder have no commercial or financial disclosures to make.
